## Special Collection

The Bishops of the United States have approved a special one time collection to take place on Mother's Day 2017 to support the mosaic ornamentation of the Trinity Dome, the crowning jewel of the Basilica of the National Shrine of the Immaculate Conception.

The National Shrine has been a century in the making since the laying of its foundation stone in 1920. Thank you in advance for your support of the initiative to help complete America's Catholic Church in advance of its 100 anniversary.
