A Message from Father Rick

Thank you everyone for your prayers. The result of my test for Covid-19 came out negative. I pray also that everyone is well and healthy.

We are all in this struggle against this invisible enemy that has raised havoc to all of humanity. For many people it is a matter of survival, of life and death. We must continue to do our share.

Hopefully next week we can go back to celebrating the Eucharist outside in the Grotto of Our Lady. Despite our isolation and distance from each other, we remain a strong community of believers.

Let us continue to pray with Mary Our Mother and Our Lady of Light. She will surely lead and guide us through this darkness into the marvelous Light of healing and peace.

Pope's Intention: Our Families

That today's families may be accompanied with love, respect and guidance.

From Our Pro-Life Ministry

"Above all, the common outcry, which is justly made on behalf of human rights-for example, the right to health, to home, to work, to family, to culture-is false and illusory if the right to life, the most basic and fundamental right and the condition for all other personal rights, is not defended with maximum determination."

Pope John Paul II, *Christifideles Laici* (1988), no. 38

Children's Religious Education

We are planning to resume classes in September, however, due to the challenging and ever-changing restrictions in place, we will likely not be able to continue in a conventional classroom setting. We are asking all parents and guardians who would like to enroll their children in Religious Education/Sacramental Preparation for the 2020/21 school year, to please assist us by filling out a short questionnaire to help us determine how best to format our program. If you have not received the aforementioned form via e-mail, or if this is your child's first year with us, please contact Gloria White gloria@ourladyoflight.church

Pro-Life Ministry

Our Lady of Light Parish Pro-Life Ministry is partnering with the USCCB People of Life Campaign: ***Walking with Moms in Need: A Year of Service.*** This is a nationwide, parish-based effort to assist pregnant mothers in need. The mission of this campaign is that through our prayers and hard work, every pregnant and parenting mother in need, will know that she can turn to her local Catholic community for help and authentic friendship.
