A Message from Father Rick

The essence of our Christian life is Discipleship; that is following our Lord. Like the apostles in today's gospel we too are being called by the Lord. Following Jesus means, staying and remaining with him. We remain with the Lord when we pray or participate in the celebration of the sacraments. It also means recognizing Jesus especially in the least among us. The apostles followed the Lord and remained with him throughout his ministry and when Jesus ascended into heaven, they remained faithful to the very end of their lives. Discipleship is not easy. There is a price to pay on one hand, but on the other hand there is also a great reward. Let us hope for the best and as one community let us strive to faithfully remain in the Lord.
