## A Message from Father Rick

Jesus teaches with authority. His authority is coming from the fact that He is the beloved son with whom the Father is pleased. Jesus knows how humanity has suffered because of the evil one. The gospel tells us that a man is suffering because he is being possessed by demons. In the presence of Jesus, this man's suffering will finally end. The evil ones will not stop inflicting pain on humanity. Jesus' power and authority, however, will in the end triumph. The goodness and the power of the Lord will be victorious. Our present life is not exempted from the influences of evil. There is always opposition to the building up of the Kingdom of God. Human suffering comes in many forms yet God knows every single one of our pains. What is needed is greater faith in the power and authority of Jesus. Lord Jesus, come and drive out the demons around us and let us experience your Love and Mercy.
