## A Message from Father Rick

"Be doers of the word and not hearers only..." These are some of the words of St. James in the second reading this Sunday. These words are a fitting reminder for all of us to continue striving to put into action what we have learned from the scriptures. This might be the opposite of what Jesus and His disciples were up against with the scribes and the Pharisees. Jesus was not very meticulous in following the prescriptions of the law found in the book of the Old Testament which was called the Torah. Understandably it was because the Pharisees interpreted the law and ritual customs to serve their own interest and not for the welfare and love of others. That is why Jesus would remind them that the greatest of all commandments is loving God and loving ones neighbor. Please continue praying for the souls of all who have died because of Covid; accordingly 4.5 million around the world and 630 thousand in the United States. There are still more people sick and dying every day. Be well and healthy everyone.
