A Message from Father Rick

"Peace be with you!" "Shalom" in Hebrew is commonly translated as Peace. The 'peace' that Jesus offers to His apostles, however, has deeper and richer implications. Shalom, used as both greeting and farewell, has richer meaning in Hebrew. It means more than the absence of war or conflict. Shalom also means harmony, wholeness, completeness, prosperity, welfare and tranquility. In the Old Testament "Shalom" is used also to mean success and blessings applicable to both external relationships with other persons or entities and an internal disposition of contentment within the individual. True Shalom comes only from God. Saint Paul explains, "Therefore, since we have been justified through faith, we have 'Shalom' with God through our Lord Jesus Christ, through whom we have gained access by faith into this grace in which we now stand." (Romans 5:1-3). God continues to offer us his gift of 'shalom' through the power of the Holy Spirit. This is what we celebrate this Pentecost Sunday. Jesus fulfills His promise to send an advocate for his apostles to go and proclaim the Good News throughout the world.
