85th Annual BBQ

Barb's BBQ Blog...

Important Announcement...

We are still looking for someone to be the point person (lead) for Grandpa's Attic. This is a great money maker at our annual BBQ, but without a lead it won't be possible. There are folks offering to help, but they aren't able to be the lead. If you are willing to be the point person we are willing to work with you. This is pretty much a last effort to get this going.

A Message from Father Rick

Prayer is not just for the "holy people", it is for everybody. Jesus himself gave us an example that prayer was his daily and regular routine. Aside from the regular prayer in the temple or in the synagogue, Jesus had a personal devotion to prayer. He prayed alone in silence and sometimes with a groan to the Father. Prayer is easy to be done away with especially when we are overwhelmed by the demands of life. For those who have grown up praying and have learned its true value, prayer becomes a part of life. I am always grateful to my family, beginning with my grandmother who taught me the "Our Father." My parents made it a point for us to go to church on Sundays. It was fun walking two miles to Church dressed in our Sunday best. I might not be able to remember any single sermon by the pastor, but I am sure I was blessed and nourished by the prayers. In as much as I cannot remember all the dishes my mother fed me when I was small, I am certain they all nourished and strengthened me. Let us make it our aim that here in our Parish, we strive to nurture the prayer life of our little ones. We do not only teach them how to pray but also strive to show them that prayer is the center of our Christian life and without it we cannot be who we are and who we will be.

Pro-Life News...Update

Some people were asking for clarification on the Roe decision. This might help. The Court's decision in the Dobbs case that overturned the 1973 Roe v. Wade decision was a result of Justice Alito's key finding: "The Constitution makes no reference to abortion, and no such right is implicitly protected by any constitutional provision," he writes. Wielding nothing but 'raw judicial power,' the Court usurped the power to address a question of profound moral and social importance that the Constitution unequivocally leaves for the people."
