# A Message Low Father Rick

The Liturgical season of the Ordinary ends with the celebration of Jesus as the King of the Universe. This feast was first instituted in 1925 by Pope Pius XI for the Roman Catholic Church. Many other Churches including the Anglican, Lutheran, and other Protestant churches also celebrate the Feast of Christ the King. The Kingship of Jesus should not be seen as a political title like the kings and monarchs that exist in various parts of the world. Jesus is far greater than any human title we can ever ascribe to him. Understandably, the title "King of the Universe" means Jesus has absolute dominion over all in the Universe, known and unknown to us, material and spiritual. This Feast also has an "after life" dimension pointing to the end of time when the kingdom of Jesus will be established in all its fullness to the ends of the universe. The Kingship of Jesus goes beyond our concept of space and time. Jesus' Kingdom, nonetheless, is a place of peace and joy for those who belong to the Lord. He said to one criminal of his side, "Amen, I say to you, today you will be with me in paradise." Let us bring our celebration of Christ the King into the table of Thanksgiving. The first pilgrims celebrated their thanksgiving on a Thursday, the day Jesus had the first Eucharist with his disciples. Happy Thanksgiving Everyone!
