This week we begin the preparation for the commemoration of the most holy days of our faith-the passion, death. and resurrection of our Lord. We have gone through forty days of prayer, fasting and alms giving, now we are called even more to pray and to give to charity. We are doing all of these for the people in the world who are going through their own trials and suffering. We intensify our prayers for those who are sick. for those who are victims of violence and war. Humanity had just gone through almost three years of pandemic and many still are suffering from the effects of the virus and the rising prices of goods. Let us not let go of our prayers and our Faith in God. Such global trial should have brought us closer to God and given us more opportunity to walk humbly before the Lord. This Holy Week let us be guided by the Word of God and the Love that Jesus has for all of us. St. Teresa of Jesus in her bookmark reminds us: "Let nothing disturb you; nothing frighten you. All things are passing. God never changes. Patient attains all things. Nothing is wanting to Him who possesses God. God alone suffices."
