More Catholic facts...

**About 15 percent of all hospitals in the United States are Catholic hospitals. In some parts of the world, the Catholic Church provides the only healthcare, education and social services available to people.*

**The Catholic Church is entirely responsible for the composition of the Bible, which books are included, as well as the breakup of the chapters.*

Maybe next week we will receive another picture from Father Rick.

The Latest Topics!

***BBQ Update...Important!**

Please check out the "needs" list on the opposite page. Still have areas that need a leader.

***A Friendly Reminder...**

This is a friendly reminder from the bulletin committee to all parishioners. If you use the church hall please make sure to check all doors to see that they are locked. When closing the double doors, close them gently, and give them a jiggle and you will feel them lock. If they get slammed close they won't unlock and then a locksmith needs to be called. Thank you for your help.

***Catholic Chat...**

You are invited to join an informal time of sharing of the Catholic Faith in a small group/casual setting following the 10 AM Mass on the fourth Sunday of each month in the Parish hall. No commitment is required. Purpose: To grow in Christ through our Catholic Faith. Discussions will include the Sunday readings, and a chosen monthly topic. Our initial topic will be on the Mass. For more information please contact Pat Hansen.

***Religious Education...sign ups and help needed**

Sign ups for next year's religious education classes, which begin in October, are available in the back of the church. Also, there is a need for someone to teach the younger students (those too young for First Communion). Please pray about how you might be able to help with this very important ministry.

***Weed Whacking**

We recently had the church grounds weed whacked by a crew and some parish volunteers. Now it is time to maintain the work that was done. If you have time to help with this ongoing job please feel free to come over and help to keep our parish facility looking neat and tidy. Thank you in advance for your help with this. God bless you!

Mary's Corner

"We must conclude that, being necessary to God by a necessity which is called "hypothetical", (that is, because God so willed it), the Blessed Virgin is all the more necessary for men to attain their final end. Consequently we must not place devotion to her on the same level as devotion to the other saints as if it were merely something optional."

St. Louis Marie de Montfort
