## A Message from Father Rick

Fr. Rick has returned from his pilgrimage and will be back next week with his weekly message. Until then, here are a few more Catholic facts...

- On March 13, 2013, Cardinal Jorge Mario Bergoglio, the archbishop of Buenos Aires, became the first pope from the Americas. He was also the first pope to take the name of Francis, after Saint Francis of Assisi.
- Scholars note that Catholicism spread largely because of the work of Roman road builders.
- Though Germanic tribes destroyed most of Roman civilization, the Catholic Church preserved much classical learning, especially in the monasteries during the Middle Ages.
- Michelangelo is the most famous and most accomplished Catholic artist in history. He created the Pieta, the sculptures of David and Moses, the frescoes on the ceiling of the Sistine Chapel, and the designs for St. Peter's Basilica..

### \*How Can I Help My Parish

Believe it or not there are many ways to give back to your parish. Simple things such as helping with the collection during Mass, volunteering to help with church cleanings, helping with Sunday treats up in the Parish hall (hospitality), helping in the Parish office or even Lectoring. These are just a few of the ways to help here at Our Lady of Light. We are a volunteer organization and depend on our parish family to get things done. Pray about how you can help.
