A Message from Father Rick

Once again Jesus teaches us what it takes to be truly grateful to God and to His people. The story of the ten healed lepers but only one came back to thank the Lord tells us of a reality where most people take for granted. We take for granted the act of truly giving thanks to God. The example that Jesus shows us in the Gospel is the Samaritan who after recognizing his healing, comes back and gives thanks to Jesus. The healed Samaritan recognizes the source of his healing and expresses his personal gratitude to Jesus. Gratitude should be our way of life. By gratitude, I mean, not just saying "thank you" but living out in actions our gratefulness. There are countless people to thank. There are so many blessings we can thank God for. There should be no room for negativity for a truly grateful person. There is always some kind of "Blessing" to recognize no matter how disappointing a situation may be. Time and again Jesus constantly challenges the existing boundaries of his society. Where every Jew hates the Samaritans, Jesus makes a Samaritan a good example of gratitude. Jesus is the embodiment of God's love and hospitality. Let us be truly grateful to God and to one another.
