A Message from Father Rick

Faith is not enough. Jesus challenges us to have "a persistent faith". It's a kind of faith that no matter how small it is, nonetheless, we persevere in holding on to Christ. Such kind of faith will always reap the fruits of Justice and God's Mercy. When tough times come, let us always be reminded to take one step at a time, one day at a time. There is the temptation to count the days, the weeks, and even years of our waiting. It is our faith in God that will make the difference in dealing with difficult situations, events or even people. We must believe that God cannot allow his faithful ones to perish and die. Our sufferings will always bring forth the fulfillment of the will of God. We know there are those who die or being executed because of their faithfulness. Have they been abandoned or forgotten by God? Where is God's promised faithfulness? Where are His Mercy and Justice? Let us be reminded that the realm of God's reign does not end in the death of a person or in the tomb. That is why in the Church we recognized the faithfulness of our brothers and sisters. They are the blessed and saints and martyrs. They inspire us to remain faithful for as St. Paul says, "The sufferings of this present time are as nothing compared with the glory to be revealed for us." (Romans 8:18)
