A Message from Father Rick

How often must one forgive? Peter suggested that seven times should be enough. NO. Jesus said, one must forgive seventy times seven times. In other words forgiveness should be without limit. Such extravagance is close to impossible just like the Lord's commandment to love even one's enemy. Maybe the great Indian Leader Mahatma Gandhi was right when he said, "Forgiveness is the attribute of the strong. The weak can never forgive." Forgiveness is for everyone who realizes how much God have forgiven him or her in Jesus. After all, it is by the grace of God that one can truly forgive from the heart. When we realize how much God has forgiven us in His Son Jesus, then forgiveness becomes a process and not just a favorable act given to a wronged party. As a process, forgiveness is a choice that we all have to do over and over again, every day, until the our hurt becomes mercy.

*89th BBQ Update...

An amazing effort by everyone...we pulled this off in record time. Thank you to each and everyone of you who gave of their time to make the 89th BBQ one to remember. A huge thank you to Tim Laff and Tammy Oluvic for co-chairing this event. It requires a lot of teamwork and patience to get everything done and to deal with the last minute hiccups that inevitably come along. As far as how we did, we will have the final numbers for you in a few weeks as bills trickle in and reimbursements are paid out. So thank you all for ALL that you do to keep our Parish going. God bless you!!!
